

40-5-22.

(a) The department shall not issue any Class C driver's license to any person who is under 18 years of age or Class M driver's license to any person who is under the age of 16 years, except that the department may, under subsection (a) of Code Section 40-5-24, issue a Class P instruction permit permitting the operation of a noncommercial Class C vehicle to any person who is at least 15 years of age, and may, under subsection (b) of Code Section 40-5-24, issue a Class D driver's license permitting the operation of a noncommercial Class C vehicle to any person who is at least 16 years of age. On and after January 1, 1985, the department shall not issue any driver's license to any person under 18 years of age unless such person presents a certificate or other evidence acceptable to the department which indicates satisfactory completion of an alcohol and drug course as prescribed in subsection (b) of Code Section 20-2-142; provided, however, that a person under 18 years of age who becomes a resident of this state and who has in his or her immediate possession a valid license issued to him or her in another state or country shall not be required to take or complete the alcohol and drug course. The department shall not issue a driver's license or a Class P instruction permit for the operation of a Class A or B vehicle or any commercial driver's license to any person who is under the age of 18 years.

(a.1)(1) The department shall not issue an instruction permit or driver's license to a person who is younger than 18 years of age unless at the time such minor submits an application for an instruction permit or driver's license the applicant presents acceptable proof that he or she has received a high school diploma, a general educational development (GED) diploma, a special diploma, or a certificate of high school completion or has terminated his or her secondary education and is enrolled in a postsecondary school, is pursuing a general educational development (GED) diploma, or the records of the department indicate that said applicant:

(A) Is enrolled in and not under expulsion from a public or private school and has satisfied relevant attendance requirements as set forth in paragraph (2) of this subsection for a period of one academic year prior to application for an instruction permit or driver's license; or

(B) Is enrolled in a home education program that satisfies the reporting requirements of all state laws governing such program.

The department shall notify such minor of his or her ineligibility for an instruction permit or driver's license at the time of such application.

(2) The department shall forthwith notify by certified mail or statutory overnight delivery, return receipt requested, any minor issued an instruction permit or driver's license in accordance with this subsection other than a minor who has terminated his or her secondary education and is enrolled in a postsecondary school or who is pursuing a general educational development (GED) diploma that such minor's instruction permit or driver's license is suspended subject to review as provided for in this subsection if the department receives notice pursuant to Code Section 20-2-701 that indicates that such minor:

(A) Has dropped out of school without graduating and has remained out of school for ten consecutive school days;

(B) Has ten or more school days of unexcused absences in the current academic year or ten or more school days of unexcused absences in the previous academic year; or

(C) Has been found in violation by a hearing officer, panel, or tribunal of one of the following offenses, has received a change in placement for committing one of the following offenses, or has waived his or her right to a hearing and pleaded guilty to one of the following offenses:

(i) Threatening, striking, or causing bodily harm to a teacher or other school personnel;

(ii) Possession or sale of drugs or alcohol on school property or at a school sponsored event;

(iii) Possession or use of a weapon on school property or at a school sponsored event. For purposes of this subparagraph, the term 'weapon' shall be defined in accordance with Code Section 16-11-127.1 but shall not include any part of an archeological or cultural exhibit brought to school in connection with a school project;

(iv) Any sexual offense prohibited under Chapter 6 of Title 16; or

(v) Causing substantial physical or visible bodily harm to or seriously disfiguring another person, including another student.

Notice given by certified mail or statutory overnight delivery with return receipt requested mailed to the person's last known address shall be prima-facie evidence that such person received the required notice. Such notice shall include instructions to the minor to return immediately the instruction permit or driver's license to the department and information summarizing the minor's right to request an exemption from the provisions of this subsection. The minor so notified may request in writing a hearing within ten business days from the date of receipt of notice. Within 30 days after receiving a written request for a hearing, the department shall hold a hearing as provided for in Chapter 13 of Title 50, the 'Georgia Administrative Procedure Act.' After such hearing, the department shall sustain its order of suspension or rescind such order. The department shall be authorized to grant an exemption from the provisions of this subsection to a minor, upon such minor's petition, if there is clear and convincing evidence that the enforcement of the provisions of this subsection upon such minor would create an undue hardship upon the minor or the minor's family or if there is clear and convincing evidence that the enforcement of the provisions of this subsection would act as a detriment to the health or welfare of the minor. Appeal from such hearing shall be in accordance with said chapter. If no hearing is requested within the ten business days specified above, the right to a hearing shall have been waived and the instruction permit or driver's license of the minor shall remain suspended. The suspension provided for in this paragraph shall be for a period of one year or shall end upon the date of such minor's eighteenth birthday or upon receipt of satisfactory proof that the minor is pursuing or has received a general educational development (GED) diploma, a high school diploma, a special diploma, a certificate of high school completion, or has terminated his or her secondary education and is enrolled in a postsecondary school, whichever comes first.

(A) Has completed an approved driver education course in a licensed private or public driver training school and in addition a cumulative total of at least 20 hours of other supervised driving experience including at least six hours at night, all of which is verified in writing signed before a person authorized to administer oaths by a parent or guardian of the applicant or by the applicant if such person is at least 18 years of age; or

(2) The commissioner shall by rule or regulation establish standards for approval of any driver education course for purposes of subparagraph (A) of paragraph (1) of this subsection, provided that such course shall be designed to educate young drivers about safe driving practices and the traffic laws of this state and to train young drivers in the safe operation of motor vehicles.

(3) For purposes of supervised driving experience under paragraph (1) of this subsection, supervision shall be provided by a person at least 21 years of age who is licensed as a driver for a commercial or noncommercial Class C vehicle, who is fit and capable of exercising control over the vehicle, and who is occupying a seat beside the driver.

(b) Notwithstanding the provisions of subsection (a) of this Code section, any person 14 years of age who has a parent or guardian who is medically incapable of being licensed to operate a motor vehicle due to visual impairment may apply for and, subject to the approval of the commissioner, may be issued a restricted noncommercial Class P instruction permit for the operation of a noncommercial Class C vehicle. Any person permitted pursuant to this subsection shall be accompanied by such visually impaired parent or guardian whenever operating a motor vehicle.

(4) Who has previously been adjudged to be afflicted with or suffering from any mental disability or disease and who has not at the time of application been restored to competency by the methods provided by law;
